# ANNOUNCEMENTS

## Office of Children and Family Services (OCFS) Sponsored Online Training: Foundations in Health and Safety

[https://www.ecetp.pdp.albany.edu/elearn\\_catalog.shtm](https://www.ecetp.pdp.albany.edu/elearn_catalog.shtm)

**NOTE:** If you took this course previously, it's not necessary to view the video again.

**REMINDER:** Every provider, director, teacher, and/or volunteer with the potential for regular and substantial contact with children in care must complete the Office approved training preservice or with 3 months of beginning employment.

This fully narrated 5 hour e-Learning course offers important information and strategies to facilitate and improve the safety and health of children in regulated child care programs and enrolled legally-exempt programs. Child care providers and caregivers completing this course will receive training credit in federally mandated health and safety topic areas which include.

- Prevention and control of infectious diseases (including immunizations).
- Prevention of sudden infant death syndrome and use of safe sleeping practices.
- Administration of medication, consistent with standards for parental consent.
- Prevention and response to emergencies due to food and allergic reactions.
- Building and physical premises safety, including identification of and protection from hazards than can cause bodily injury such as electrical hazards, bodies of water, and vehicular traffic.
- Prevention of shaken baby syndrome and abusive head trauma.
- Emergency preparedness and response planning for emergencies resulting from a natural disaster or a man-caused event.
- Handling and storage of hazardous materials and the appropriate disposal of bio-contaminants.
- Appropriate precautions and transporting children, if applicable.
- Pediatric first aid and cardiopulmonary resuscitation (CPR).
- Other requirements relating to nutrition, access to physical activity, or any other subject area necessary to promote child development or to protect children's health and safety.

Training learning points are enhanced by using video clips and interactive exercise.

Child care providers can participate in this 5 hour web-based online training course at any time, 24 hours a day, 7 days a week.

As you complete each 10-15 minute section, the application saves your progress and allows you up to 30 days to complete the entire course.

The self-directed online course "Foundations in Health and Safety e-Learning" fulfills OCFS training requirements:

- Nutrition and health needs of infants and children
- Child day care program development.
- Safety and security procedures.
- Child abuse and maltreatment identification and prevention.
- Statutes and regulations pertaining to child day care.
- Education and information on the identification, diagnosis and prevention of shaken baby syndrome.

# Community Child Care Clearinghouse of Niagara Training Policies

- Registration and payment prior to training is mandatory.
- The number of required registrations must be received complete with payment prior to the date of the class or the class will be cancelled.
- The Community Child Care Clearinghouse of Niagara reserves the right to cancel scheduled child care training when necessary. Payment will be refunded.
- Checks for training must be made payable to Niagara Community Action Program, Inc. A \$38.50 fee will be required for returned checks.
- Training fees are non-refundable.
- If payment is made with an Educational Incentive Program (EIP) Award, it must be received prior to the training or the provider must pay with cash or check made out to Niagara Community Action Program, Inc. The Community Child Care Clearinghouse of Niagara will reimburse for EIP awards submitted following trainings, provided they are submitted within the time limits as required by the EIP program.
- If payment is made with a coupon, the coupon must accompany the registration form. The coupon must have a non-expired date.
- Participants arriving late for training will not be admitted. Fees will not be refunded to late arrivals.
- There is a \$5.00 charge to replace lost training certificates.
- Upon request, training database records will be given to the provider or representatives of the New York State Office of Children and Family Services.
- For training at a child care facility, a fee commensurate with the current training fee per person will be charged by the Community Child Care Clearinghouse of Niagara to train ten or more child care employees. This fee is nonrefundable and nontransferable. Payment of proof of payment must be received one week prior to the training. Checks should be made payable to Niagara Community Action Program, Inc.
- The number of required participants does not apply to a training that is mandated by the New York State Office of Children and Family Services in order to bring a program into compliance with a corrective action plan.

Revised 5/4/2017

# 2019 Videoconference Webcast Training

**November 6,  
2019**

## **Town Hall Meeting: Child Abuse and Maltreatment**

As a Mandated Reporter, you are required by law to report cases of suspected child abuse or maltreatment to the Statewide Central Register. When acting in your professional capacity, you must report situations you encounter both in and outside your program. But knowing when to make that call can be a difficult decision. Uncertainty about what happens next may only make it seem more intimidating.

During this webcast, you'll join experts in the field to analyze dramatized case studies. Panelists will explain their role in the reporting process and what you can expect, provide you with guidance on making the call, and review what happens during investigations.

**REGISTRATION FOR THIS TRAINING MUST BE COMPLETED  
ON THE PDP WEBSITE,**

<http://www.ecetp.pdp.albany.edu>
