

The Western New York Infant Toddler Resource Network

The Community Child Care Clearinghouse of Niagara is a participating partner in the Western New York Infant Toddler Resource Network.

If you are a registered or licensed child care provider and have a question regarding infant or toddler care, or If you would like an Infant Toddler Specialist to make a visit to your child care program an Infant Toddler Specialist is available through the Community Child Care Clearinghouse of Niagara by calling 716-285-8572 ext. 115.

You may speak directly to an Infant Toddler Specialist by calling 1-866-281-4739 Ext. 3065.

Included below are links to curriculum ideas which are great for day care providers to use with infants and toddlers in your child care program:
